

# The Buzz...

**November 9, 2022**

Veteran's Day. It's not too late to RSVP your Veteran. Program starts at 10am. A complimentary Lasagna lunch for Veterans follows the program. The program is open to all Hood View families. If attendance is amazing, please offer your seat to our Veteran guests.

All Basketball Players. I will be placing an order for special basketball sweatshirts on November 11<sup>th</sup>. Please let me know ASAP what size you'd like and what name you'd like on the back. Cost is \$45, includes adding a name on the back. This is for all players, parents, siblings or grandparents. However, many you want to buy, this can be charged to your account.

PAA Academy Day. PAA hosts an Academy Day for all 8<sup>th</sup> grade students on Wednesday, November 16<sup>th</sup>. This is a super fun event, even if you are not planning on attending PAA.

Thanksgiving Break. There is school on Monday and Tuesday, November 21<sup>st</sup> and 22<sup>nd</sup>. Tuesday is an early release day at 12:45pm.

Hot Lunch Price Increase. Just a friendly reminder that starting Tuesday, November 1<sup>st</sup>, hot lunch prices will increase to \$5 a lunch.

Georgi needs help. Any adult is welcome to stay afterschool and help decorate for the Veteran's Day Program.

And.....if anyone is interested in sticking around after the program to help clean up. I would never say no to that. Many hands make light work.

Grandparents or others Picking up. Please remind your family member who may be picking up your child after school to **NEVER CHANGE LANES.** It's November and I'm still having to chase people down to educate them on the parking lot procedures. This is for the safety of your children. How would you feel if it was your child that was hit by a car or if you hit your child's best friend? Please, be patient, stay in your lane.

Attached is our November Birthdays, let's wish them all a Happy Birthday!
