

# Preschool Supply List 2021/2022

## Items for personal use: (please label)

- 1 backpack
- Lunchbox (optional)
- Reusable water bottle
- 1 pencil box
- 1 pair safety scissors
- 1 Box of 8-10 washable markers
- 1 complete set of “just in case” clothing! Shirt, pants/shorts, underwear and socks. I will provide a labeled bag, and store them in the classroom. Just in case a fresh set of clothing is needed...wet slides, mud puddles, spilled lunch, waiting too long for the bathroom, etc. There are accidents galore in preschool!

## Items for community use: (please DO NOT label)

- 1 box Ziplock bags - Quart sized
- 1 sm box plastic spoons
- 1 large container of anti-bacterial wipes

These will be parceled out a few sets at a time and replaced as they are broken, used, emptied or dried out.

We are looking for children’s dress up clothes and doll clothes (for a 14” and 20” doll) for our pretend center. If you have any that you would like to donate, it would be greatly appreciated! Other props would also be appreciated.
