

# The Buzz...

April 21 2023

It's been a short, but still very full, week at HVAS. Besides all the usual learning activities, 1st, 2nd, 7th, and 8th grades went on field trips, we had teacher and principal meetings, MAP testing, an earthquake drill, Family Groups and Reading Buddies. Be sure to check the calendar at the end of The Buzz each week for upcoming events. I've tried to group all new announcements toward the top of the newsletter so you can quickly see the newest items first. Wishing you all a great weekend!

## Week in Photos

Family Group Fun on Friday  
*First, Second, Third, & Fourth Grades*

Handing out TP they collected  
*First Grade*

Field Trip to OMSI  
*Class of 2023*

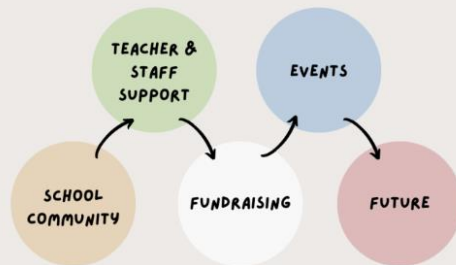

*Check out the Hood View Adventist School Facebook Page for more photos from school (as soon as the principal can find the time to get them uploaded)*

## PLEASE DON'T BE *THAT* PARENT

**SHARING THE ROAD** - This week, we had a call from one of our neighbors along Kelso Road letting us know that they were having trouble getting out of their driveway during pick-up and drop-off times and someone connected to our school family flipped them off because they were trying to get out on the road. Please remember to be respectful and polite to our neighbors and others who are picking up/dropping off. A little patience can go a long way toward helping those times run smoothly for everyone.

**ATHLETICS** - Also, please remember that if you are attending a practice or a game for your child, you expected to be respectful to other parents, coaches, and players from the HVAS team and the opposing team, as well as to the refs. It was disappointing to hear about some of the behavior exhibited by some HVAS parents this week at soccer games. Things don't always go the way we wish or hope they would, but how we respond is a choice. Those times are great opportunities to model for our children how to respond appropriately.

HOME & SCHOOL  
PLANNING MEETING  
5/8/23 8:30 AM  
COUNTRY COFFEE  
SIT N SIP

Please join us for a Home & School Planning Meeting on 5/8 at Country Coffee Sit n Sip (Boring, OR) 8:30 am - 10:00am. We would love your help to shape our Hood View Home & School 2023 - 2024 School Year.

## HELP US PLAN FOR 2023-2024

## LOST & FOUND

A lot of hats, gloves, coats, shirts, water bottles, a single shoe, and a few other miscellaneous items continue to hang out on the Lost and Found rack in the entrance. Please be sure to have your child check the rack (or check for them - some of them don't seem to remember what belongs to them) before the end of next week when Lost & Found will be cleared out and donated.

## CONSTITUENCY MEETING

HVAS is supported both spiritually and financially by 6 Seventh-day Adventist churches in our area. These are referred to as our constituent churches. Each year (usually in April), each of those churches sends delegates to a Constituency Meeting at the school to hear a report from the school board chair and the principal about what has been happening in the school over the last year in the areas of spirituality, academics, facility, enrollment, personnel, and finances. Goals for the upcoming year are also shared and the delegates vote on the budget for the next school year. While anyone is welcome to attend this meeting, only delegates have voice and vote. It will take place this year on Sunday, April 23 at 6 p.m. in the library.

## MAP TESTING

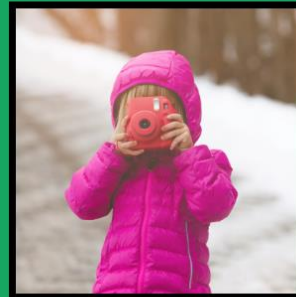

We administer MAP tests three times a year to measure academic growth in the areas of Reading and Math. Testing started this week and will continue through next week.

Here are some suggestions of what you can do to help your child do his/her best:

1. Ensure your child arrives at school on time
2. Have your child eat a healthy breakfast
3. Ensure your child gets a good night's sleep
4. Gently encourage them to do their best

### GOT PHOTOS?

We are closing in on our deadline to submit the Yearbook and need a few more photos from specific activities and events to round out the pages. Some of you have submitted photos already (thanks!!!), but if you haven't and you have photos of any basketball teams (ABL, 5/6, 7/8 teams), any soccer teams, Auction, Talent Show, or the Fall Bonfire Worship please email them to [principal@hvja.org](mailto:principal@hvja.org).

**FRONT DOOR CHANGES** - Work on this project is now scheduled to start by May 1. When the front door project is completed, you will no longer be able to enter the building during the school day without being buzzed in from the outside set of doors. If you are entering the interior of the building to volunteer or pick up a child from Preschool or PreK, you will also need to be buzzed in at the interior front entry doors. There will be a video camera and intercom system in the entryway outside the outer set of doors to be able to communicate with the office. This project is being paid for by funds from the 2022 Auction.

Invest in your child's academic success with Hood View's summer reading tutoring. Most individual tutoring slots have already filled, but there are still a few small-group tutoring appointments available.

For more information, contact Debbie Sexton at [dsexton@hvja.org](mailto:dsexton@hvja.org)/503-410-9440.

## Enrollment for 2023-24 Continues

Enrollment continues for both current and new students for next school year. If you have questions about tuition assistance, please contact the HVAS business manager, [Sheryl Luthi](#).

## BOX TOPS FOR EDUCATION

You can help us earn cash for the school by participating in Box Tops for Education. You can use the Box Tops app to scan your receipts OR drop your receipts in the Monster Bin at the front office and we will scan them for you.

First grade is currently collecting dish soap and laundry soap for those in need. Anyone is welcome to drop off those items in the first grade room during **April**.

**APRIL 23-28**

**COMING UP**

Add the HVAS Google Calendar to your Mobile or Desktop device
